## EYE REMOVED

Highland Lady Loses Otic as Result of Smallpox Years Ago.

Mrs. Smith Faulkner, of the Highland section, sustained the loss of her left eye this week, which had to be removed by an operation, as a result of a severe case of smallpox ago. Dr. W. B. O'Bannon performed the operation, which resulted very successfully, and it is believed that she will sustain no ill effects from the loss of the member except the loss of the sight.

Mrs. Faulkner's left eye became affected when she had the smallpox and it has never been right since. Recently a sympathetic affection seemed to be coming on the right eye, and the physicians deemed it wise to remove the afflicted member so that the danger of the other eye becoming affected might be lessened.

## ASHAMED OF HER FACE

"I was ashamed of my face," writes Miss Pickard of North Carolina. "It was all full of pimples and scars, but after using D. D. D. Prescription for Eczema I can say that now there is no sign of that Eczema and that was three years ago."

This is but one of thousands of cases in which D. D. D. has simply washed away the skin trouble. D. D. D. cleanses the skin of the germs of Eczema, Psoriasis and other serious skin diseases; stops the itch instantly, and when used with D. D. D. soap the cures seem to be permanent. Nothing like D. D. D. for the complexion.

We can also give you a full size bottle for \$1.00 on our absolute guarantee that if this very first bottle fails to give you relief it will cost you nothing.
